FUEL	PROPANE / BUTANE
NET WEIGHT	1.7 KG 3.7 LBS
DIMENSIONS	61 X 18 X 40 CM 24 X 7 X 16 IN

The BY100 Mini Portable Thermal Fogger is lightweight, intuitively easy to use and powerful. Powered by an 8 oz Butane/Propane canister rather than a motor makes this one of the quietest and most durable foggers on the market. Less moving parts means less to breakdown, making it ideal for applying pesticides, disinfectants, herbicides, fungicides and odor neutralizers in small locations without access to electricity.
